About the USDF Region Two Youth Team Championship:

The USDF Region Two Youth Team Championship is a unique show for Junior/Young Riders, featuring team competition in dressage, educational programs, team medals and a mounted awards ceremony. The United States Dressage Federation (USDF) is sponsoring a Championship in each region so youth riders everywhere can join the fun! There are *no prerequisites or qualifying scores required* to enter the championships.

Team formation: Teams will be organized as scramble teams. Team members can be riding at different levels. Team entries may be organized according to dressage organizations, farms, barns, instructors, Pony Clubs, 4-H Club, any youth riding clubs, or just groups of individuals. Any individual rider needing team members is encouraged to send in his or her entry and a mixed team will be formed. See, every one can attend!!

Team names: Have fun with this! Here are some examples: The Grand Prix Wanabees, The Mountsters, Stonington Stormtroopers, Barretts Brats, The Temple Terrors, etc. *Entry form must include team name.*

Awards: USDF Team medallions on neck ribbons will be awarded to each team member for first through sixth places in each division. Divisions with more than six teams will be split. Individual High Score Champion and Reserve in each division will be awarded rosettes. In addition, special awards will be awarded by individual sponsors for performance in the show.

Team Spirit Award: All riders are encouraged to support their fellow teammates by helping each other braid, tack up, get dusted off, watch each other's rides, and applaud each other's efforts! In addition, keeping tack rooms in order and horses well cared for are all part of the team player's duty. A special award will be awarded to the team who best displays team spirit.

Award ceremony: Riders are expected to be dressed in riding clothes and mounted for the awards ceremony held Friday after the final class. Procedures will be reviewed on Thursday evening.

Competitor's picnic: All competitors are required to be present at the picnic and pre-competition meeting on Thursday at 6pm on the show grounds. Picnic is free to all riders. Others may purchase a ticket for \$10 on entry form. The competition procedures will be reviewed.

Additional information: please read additional information and specifications that apply to this show. This information is contained in the "Open Dressage Portion" of this prize list.

Team Formation and Scoring Rules

Teams will be organized as scrambled teams consisting of no fewer than three riders and no more than five riders. Team riders may compete at any level. Single team members are also allowed to ride at different levels. (For example, Susie Cue on Blackie may enter Training Level, Test 4 and First Level, Test 1 and both scores will be used in the calculation of the team score.) The lowest single score of the team will be dropped. The remaining scores will be handicapped according to the scale below, then averaged to obtain a team score. The team scores will be used to place the teams within the divisions.

Divisions will be selected randomly. Divisions will consist of no more than 6 teams.

If a one horse on a team receives a score of "0" (i.e. eliminated due to lameness, jumped out of the ring, or withdrawn) then that score will automatically become the drop score. If a second horse on the same team receives a score of "0," that score will be handicapped and used in the calculation of the team score. Teams must have at least three and no more than five competitive horses in order to be considered part of the team competition.

If a horse is scratched from the competition prior to the start of the competition day, the team may find a replacement team member (another rider entered in the show who agrees to join the team and is not already on a team) or reduce the number of riders on their team. If that team has either four or five riders, then the team score will be calculated with the remaining three or four riders. If the team originally had only three members and one of those horses scratches, the team may opt to eliminate themselves from the team competition (since they now only have 2 competitive horses) or join other teams. Teams may not be restructured after the start of the competition day. Riders may not compete on two different teams with the same horse.

If a horse is forced to be scratched during the competition day (i.e. rides one test, becomes lame and is unable to compete in the second test of the day) then that horse will receive a "0" for all subsequent tests and one of those tests will automatically become the drop score. If this happens to more than one horse on a team, then the second horse will receive a "0" that will be calculated in to the overall team score.

Horses may be entered in only one test to be considered part of the team.

Riders are encouraged to enter using teams of at least four riders so that in the event of a scratched horse prior to the start of the competition does not force the remainder of the team to be eliminated. For riders who do not have a team and want to enter this show, you are encouraged to do so and you will be placed on a "manager's special" team with other riders in your situation.

Riders on eliminated teams may still be eligible for high point awards. High point awards will be awarded for the high score (Champion) and second highest score (Reserve Champion) at the following levels: Introductory, Training, First, Second, Third, Fourth, and FEI (including PSG, I-1, I-2, GP and all YR tests.)

Total percentages from each team member will be added together and averaged. Percentages will be added as a "handicap system" for figuring team placing. Riders will receive the following "additional percentages" added to their test for the calculations of team placings only: Intro/Training - 0%, First - 1%, Second - 2%, Third - 3%, Fourth - 4%, FEI - 5%. Equitation/Freestyles does not count in team scores calculations.
